

CYCLE-GLIDE™

Space Saving Ceiling Mounted
Patented Glider Design

Adjustable Bike Trays

4 Bike Capacity
Expandable

Patents issued and pending.

Free up floor space in your garage or basement.
Gives individual access to each bike without having
to remove adjacent bikes while offering compact nesting.
Wheel hooks automatically adjust to the bicycle wheel
base to accommodate a wide range of bicycle designs.
Allows access and compact storage of 4 bikes.
A 2 bike add-on is available to expand the capacity to 6 bikes.
